Ser Jacopo Domina 2027 S2 D – Specimen No. 2 of 333

The Ser Jacopo Domina 2027 S2 D is an Italian handcrafted pipe from the prestigious Ser Jacopo line, produced in a limited edition of just 333 pieces. The item presented here is number 2 in the series, a particularly significant specimen that we have the privilege of presenting and offering for sale as a world preview.

The model is a medium-sized square sitter, characterized by

balanced proportions and a construction designed to enhance both aesthetics and smoking functionality.

The sandblasted finish covers the entire surface of the pipe and complements a full-bent configuration, giving the overall piece a bold look full of character. The bowl, of generous capacity, features a slightly conical drilling toward the bottom.

The stem is standard black acrylic with a saddle shape. On the top side, it features the characteristic silver "J", a signature mark of Ser Jacopo craftsmanship. An additional silver detail is the rim guard placed on the top rim of the bowl, which enriches the pipe with a premium detail without altering its aesthetic balance.

A limited series, a particularly rare specimen

The 2/333 numbering places this pipe among the very first of an intentionally limited production run. The combination of the Domina 2027 S2 D classification, Italian hand-craftsmanship, sandblasted finish, and silver accents makes this piece of special interest to Ser Jacopo pipe enthusiasts and collectors.

The Ser Jacopo Domina 2027 S2 D No. 2/333 is offered in its original configuration, representing an opportunity to preview a new expression of Ser Jacopo artisanal craftsmanship.
