The Ser Jacopo R1 A Rusticated Poker pipe is a bold and distinctive artisan creation, reflecting the renowned craftsmanship of the historic Pesaro workshop. Sculpted in a classic **straight Poker** silhouette, it features an imposing cylindrical bowl paired with a flat bottom (*sitter*) that allows it to rest upright on any flat surface. The briar body is enhanced by a deeply tactile **rusticated finish**, offering a secure grip and a rugged aesthetic. Defining this pipe is its **long, slender shank**, which adds visual elegance while helping

to cool the smoke before reaching the palate. The shank end is crowned by an exquisite **sterling silver band**, providing a striking contrast against the **straight black acrylic mouthpiece**. Dynamic, functional, and full of Italian personality.
