The Peder Jeppesen Ida 4 pipe is a fine showcase of modern Danish pipemaking, crafted by master artisan Peder Jeppesen. Sculpted into the graceful, organic curves of the **bent Ida 4** shape, it features a **semi-rusticated finish** that provides rich tactile grip and visual depth across the bowl. In striking contrast, the wide **smooth rim** highlights the natural grain and warmth of the underlying briar. Adding a vibrant artistic touch is a **colorful acrylic accent ring** on the shank, creating a sharp visual break leading to the **bent black acrylic mouthpiece**. Perfectly balanced for a comfortable clench.
