#### L'Anatra dalle Uova d'Oro Rusticata - Bent Stand-Up Pipe

Italian Handcrafted Pipe L'Anatra dalle Uova d'Oro - Rusticata Bent Stand-Up

This handcrafted Italian pipe by **L'Anatra dalle Uova d'Oro**, graded *Rusticata*, stands out for its exceptionally deep and tactile

briar carving. The **Bent Stand-Up** shape gives the pipe a well-balanced profile and allows it to sit vertically on the flat base of the bowl.

The defining feature is the very deep rustic finish, crafted to achieve an irregular, organic, rock-like surface texture. This workmanship enhances the handcrafted character of the pipe, bestowing the bowl with a strong visual presence while ensuring a comfortable, natural grip.

#### Shape and Craftsmanship

The pipe features a Bent Stand-Up geometry designed to ensure excellent overall balance. The bowl provides a medium capacity, making it well-suited for moderate-length smoking sessions.

The tobacco chamber is drilled with a traditional cylindrical bore, a design standard that promotes even tobacco distribution throughout the bowl and supports a consistent, smooth airflow during the smoke.

The deep rock-effect rustication is the most distinctive aesthetic element of this piece: the three-dimensional surface creates a striking contrast with the smooth details and highlights the meticulous manual carving of the briar.

#### Acrylic Mouthpiece

The stem is made of black acrylic with a saddle bit profile paired with a fishtail bit. The mouthpiece geometry harmoniously complements the curved lines of the pipe, offering a comfortable fit between the teeth.
