The Sasieni 4 Dot Walnut Rhodesian pipe is a sophisticated fusion of traditional British pipemaking and refined bespoke detailing. Sculpted in the classic geometry of a **bent Rhodesian** shape, it features the iconic double-cone bowl encircled by twin grooves, paired with a round shank. The distinguished **Walnut finish** coats

the briar in a warm, **smooth** stain, polished to highlight the depth and clarity of the natural grain. Adding a luxurious touch of craftsmanship is a natural **horn ferrule** mounted on the shank, creating a striking visual transition leading to the **bent black acrylic mouthpiece**, proudly displaying the iconic blue dots of the **4 Dot** series. Perfectly balanced and deeply elegant.
