Francesco Ganci Handmade Pipe – Tomato Chubby Rusticata

This handmade pipe, crafted in Liguria by **Francesco Ganci**, is a free and personal interpretation of the classic **Tomato Chubby** shape, presented in a compact form with a strong and distinctive character.

Briar Design and Craftsmanship

The pipe features a **deep rustication**, enhanced by precise engravings and geometric lines that create a harmonious transition between the bowl and the shank. The hand-finished craftsmanship gives the piece a highly dynamic tactile and visual character, while maintaining an excellent grip and well-proportioned balance.

Shape: Tomato Chubby (free and compact interpretation)

Finish: Deep rustication with connecting carved details

Bowl: Medium capacity, with a slightly conical bore designed to promote an even tobacco burn

Rim: Smooth, with an **easy-load bevel** to facilitate filling

Construction Details and Stem

The junction between the shank and the stem is enhanced by a wide **Liguria olive wood ring**, rooted in the tradition of the pipe maker's region of origin. The ring follows the line of the shank seamlessly, creating a natural contrast with the dark finish of the briar.

Stem: High-quality ebonite, with a **fishtail** mouthpiece for a comfortable bite

Junction: Shaped Ligurian olive wood ring, flush with the shank

Origin: Entirely handmade in Italy (Liguria)
