The Mastro Geppetto Sandblasted pipe is a vibrant, characterful expression of Pesaro craftsmanship created under the Ser Jacopo heritage. Carved into the classic silhouette of a **semi-bent Billiard**, it pairs the generous capacity of a traditional cylindrical bowl with a subtle bend engineered for effortless jaw balance. The deep **black sandblasted finish** enhances the tactile, three-dimensional ring grain of the natural briar. Adding a bold touch of modern flair is the **semi-bent colorful acrylic mouthpiece**, creating a brilliant color contrast against the dark, rugged body.
