The Neerup Classic Grade 5 pipe is an embodiment of modern Danish pipemaking tradition, hand-crafted by artisan Peder Jeppesen. Carved into an ergonomic **bent** silhouette, it showcases smooth, fluid contours designed for perfect jaw balance and hand comfort. The flawless **smooth finish** celebrates the high quality of the briar—awarded the **Grade 5** designation—revealing rich natural grain structure in warm, golden-brown hues. Serving as the focal point of its design is a striking **bent marbled white acrylic stem**, whose swirling pearlescent tones provide a vibrant, luminous

contrast against the dark wood.
