The Neerup Classic Grade 3 Churchwarden pipe is a captivating Danish interpretation of the iconic reading pipe, hand-crafted by master artisan Peder Jeppesen. Featuring a graceful **bent Churchwarden** silhouette, its extended air path allows the smoke to cool significantly before reaching the mouth, delivering a noticeably cool, smooth, and dry smoke. The briar body is finished in a tactile **black sandblast**, highlighting the deep, rustic ring grain of the wood. A gleaming **metallic band** brightens the shank

connection, creating a sleek transition between the dark bowl and the **long bent colorful acrylic stem** with its signature vibrant color swirls. An ideal relaxation pipe designed for unhurried, contemplative smoking sessions and quiet evenings.
