The Ser Jacopo Unigena Rowlette B 2 Maxima pipe is a monumental creation showcasing the master sculpting and artistic traditions of Italian pipemaking. Shaped in a classical **bent Billiard** profile, this piece bears the **Maxima** size designation, strictly reserved for extra-large, commanding pipes with substantial chamber dimensions. It features Ser Jacopo's distinctive **semi-rusticated (Rowlette)** finish, combining deeply textured rustication with smooth, polished panels that highlight the natural briar grain underneath. The **Unigena** series mark denotes its unique character

and meticulous material selection. Perfectly proportioned despite its impressive scale, it is completed by a **bent black acrylic stem** inlaid with the iconic silver 'J' emblem. An extraordinary artisan pipe crafted for connoisseurs who appreciate bold proportions and extended, relaxing smokes.
