The Ser Jacopo S2 Freehand pipe is an exceptional embodiment of sculptural skill and artistic expression, representative of the celebrated Pesaro pipemaking tradition. Carved into a dynamic **bent freehand** silhouette, this piece follows the natural flow of the briar block to achieve organic, fluid, and highly expressive contours. The deep **sandblasted finish** brings out the rich three-dimensional ring-grain texture, endowing the surface with a bold tactile feel. The **S2** stamping denotes its specific finishing class and meticulous grade selection within Ser Jacopo's portfolio. Harmoniously finishing

the pipe's sweeping lines is a fitted **bent black acrylic stem**, adorned with the iconic silver 'J' inlay. A unique, visually striking artisan creation crafted for lovers of fine Italian handmade pipes.
