The Alinetu Rhodesian Smooth pipe is an impressive artisan creation combining bold, generous proportions with refined material contrasting. Carved in an extra-large **straight Rhodesian** profile, it features the iconic double-conical bowl, seamlessly joining a muscular and broad **flat oval shank**. Its flawless **smooth finish** showcases the warm, natural grain patterns of the briar. Providing a striking visual highlight is a prominent, wide **maple wood ring**, whose light blonde tones offer a sophisticated aesthetic break

before meeting the **hand-cut black ebonite stem**. Perfectly balanced despite its commanding size, this pipe is crafted for smokers who appreciate substantial bowl capacity and distinctive natural wood accents.
