Dunhill The White Spot - Shell Briar (Group 2) - 2026

A creation that embodies the excellence of traditional English pipe-making through its craftsmanship, attention to detail, and carefully selected materials. This **Dunhill The White Spot**, manufactured in **2026**, stands out for its refined, compact design, making it an ideal choice for those seeking an elegant, high-performing, and perfectly balanced smoking instrument.

Features and Finish

This pipe features the renowned **Shell Briar** finish, distinguished by

its classic deep sandblasting, which highlights the natural grain of the briar while providing a pleasing tactile feel. Its size classification is **Group 2 (circled 2)**, denoting a small, exceptionally lightweight pipe that is ideal for **smoking on the go**.

Design and Shape

In terms of silhouette, the pipe features a straight profile with an interesting **hybrid shape combining Pot and Liverpool characteristics**.

- **Bowl:** Medium-small capacity, featuring a regular cylindrical chamber.
- **Shank and Stem:** The straight shank connects to a high-quality **black vulcanite stem**. The stem has a tapered profile that ends in a slight **fishtail flare**, designed to provide a comfortable bite between the teeth.
