### Dunhill The White Spot - Bruyere Model 2105 (2026)

The **Dunhill The White Spot Model 2105** represents a timeless classic of British pipe-making, presented here in the iconic **Bruyere finish**. Manufactured in **2026**, this pipe combines the brand's centuries-old tradition with a design engineered to deliver balance, understated elegance, and excellent smoking performance.

Finish and Design

The **Bruyere finish** is distinguished by its smooth surface and

characteristic mahogany coloring with plum undertones, designed to enhance the natural grain of the briar. The Model 2105 interprets the classic **Dublin silhouette** in compact proportions: a straight, small-sized pipe that is exceptionally lightweight and well-balanced. It is ideal for those seeking an easy-to-handle smoking companion for outdoor use or shorter smoking sessions.

#### Bowl Geometry and Smoking Performance

**Bowl geometry:** The flared, vase-shaped bowl typical of the Dublin design houses a medium-small tobacco chamber.

**Bore:** The bowl features a precisely machined **cylindrical chamber**. This construction promotes smooth airflow, helping ensure an even burn from the initial light to the bottom of the tobacco chamber.

#### Shank and Stem

The straight shank flows seamlessly into a high-quality **black vulcanite stem**. The stem features a tapered profile and ends in a subtle **fishtail flare**, designed to distribute the weight evenly across the teeth and provide a comfortable bite.
