## FEATURES

Sasieni 4 Dot Walnut

Sasieni pipe holder included in the price.

Free gift wrapping is included

The Sasieni 4 Dot Walnut Army Mount pipe is a distinguished rendition of classic British pipe architecture, elevated by refined natural material accents. Built with a **straight army mount (army mouth)** construction, it features a push-tenon design that allows easy disassembly even while the pipe is still warm. The deeply textured **black sandblasted finish** highlights intricate three-

dimensional ring-grain patterns. Providing a striking visual transition is an elegant **natural horn ferrule**, whose organic grain leads seamlessly into the durable **straight black acrylic mouthpiece**. Proudly inlaid on the stem are the iconic four blue dots (**4 Dot**), the historic hallmark of quality and heritage revered by pipe collectors globally.
