The Neerup Classic Group 5 straight pipe is an expression of Danish freehand design, crafted by master pipe maker Peder Jeppesen. Built with a classic **straight** silhouette and substantial **Group 5** bowl proportions, it offers generous chamber capacity paired with impressive visual presence. The sophisticated **matte smooth finish** elegantly highlights the warm, natural flame grain of the briar while providing a tactile, velvety feel in the hand. Providing a sleek contemporary transition is a polished **metal ring**, forming a clean visual break before meeting the eye-catching **straight light**

marbled acrylic stem, whose swirled pearlescent hues add brilliance to the overall design. A robust, well-balanced artisan pipe crafted for enthusiasts of modern Danish pipemaking.
