The Peder Jeppesen Ida Boutique Group 6 Smooth pipe is a refined high-grade creation representing the most prestigious line from the Danish master carver. Carved into a balanced **semi-bent freehand** posture with substantial **Group 6** proportions, it follows the natural flow of the briar block to achieve comfortable ergonomics and an organic silhouette. Its pristine **smooth finish** showcases the unique natural grain patterns surrounding the bowl. Providing a sophisticated transition between the shank and the **semi-bent**

black acrylic mouthpiece is a custom **engraved sterling silver ferrule**, adding a brilliant metallic accent to this artisan piece.
