The Neerup Classic Group 5 Free Form pipe displays the characteristic sculptural approach of Danish pipemaker Peder Jeppesen. Carved into a balanced **semi-bent free form** posture with generous **Group 5** proportions, it follows the grain of the briar to form an organic, comfortable silhouette. Its pristine **smooth finish** showcases the wood's natural grain patterns across the bowl surface. Accentuated by a polished **metal band** at the shank junction, it transitions into a **semi-bent dark marbled acrylic**

mouthpiece, whose subtle swirling patterns complement the overall Danish design.
