The Neerup Classic Group 3 Free Form pipe highlights the Danish design philosophy of pipemaker Peder Jeppesen. Carved into a compact **bent free form** silhouette within **Group 3** sizing parameters, it features a deeply **sandblasted finish** that brings the natural grain pattern of the briar into tactile relief. Providing a bright, clean transition at the shank end is a polished **metal band**, which bridges the dark briar bowl to a **bent dark marbled acrylic mouthpiece** enriched with subtle swirling patterns.
