The Becker 3 Clubs Chimney pipe is a refined showcase of Roman artisan pipemaking, bearing the prestigious **3 Clubs (3 Trefoils)** grade. Sculpted into a **straight Chimney** posture, it features a tall, slender bowl with a deep chamber engineered for a slow, consistent burn. The briar displays a crisp, defined **sandblasted finish** that brings the natural grain pattern into sharp tactile relief. Complementing its classic architecture is a **straight cumberland mouthpiece**, whose reddish-brown striations seamlessly transition from the dark sandblasted shank.
