The Neerup Classic Group 5 Free Form pipe showcases the sculptural design style of Danish pipemaker Peder Jeppesen. Crafted into a balanced **semi-bent free form** posture within substantial **Group 5** sizing parameters, it follows the natural briar grain to deliver an organic, comfortable silhouette. Its clean **smooth finish** highlights the wood's natural grain growth across the bowl. Transitioning cleanly at the shank end is a polished **metal band**, which connects to a **semi-bent red marbled acrylic mouthpiece**

enriched with vibrant swirling tones.
