The Neerup Classic Group 3 Smooth Free Form pipe embodies the sculptural design approach of Danish pipemaker Peder Jeppesen. Carved into a balanced **semi-bent free form** posture within compact **Group 3** parameters, it harmonizes with the natural grain of the briar to create an organic, comfortable silhouette. Its clean **smooth finish** showcases the natural grain growth surrounding the bowl. Connecting the shank to the **semi-bent light marbled acrylic mouthpiece** is a polished **metal band**, providing a bright

and elegant transition element.
