The Peder Jeppesen Ida Boutique Group 4 pipe in the **Lovat** shape offers a Danish artisan reading of a classic straight profile. Sculpted into a **straight Lovat** posture featuring a long cylindrical shank and proportioned bowl, it falls within versatile **Group 4** size parameters. The briar features a **deep black sandblasted finish** that brings the natural grain growth into bold tactile relief while promoting cool smoking qualities. Providing an elegant transition at the shank junction is a custom **engraved sterling silver ferrule**, connecting

to a **straight dark marbled acrylic mouthpiece** enriched with subtle swirling tones.
