The Ser Jacopo **Delecta** series pipe in grade **S2 C** offers a classic Pesaro-style rendering of the **Apple** shape. Carved into a balanced **straight** posture, it features a rounded bowl with thick walls enhanced by a rich **brown sandblasted finish** that brings the natural grain pattern into tactile relief. Accentuated at the shank junction by a bright **sterling silver band**, the pipe seamlessly transitions into a **straight amber acrylic mouthpiece**, whose translucent warm hues beautifully complement the deep briar finish.
