The Neerup **Classic Grade 3 (Gr 3)** pipe showcases the distinct aesthetic of modern Danish pipemaking led by craftsman Peder Jeppesen. Sculpted into a fluid **semi-bent free form** posture, it follows the natural briar grain contours to form an organic, sculptured profile. The bowl features a warm **smooth finish** that highlights the underlying wood grain structure. Highlighting the shank end is a polished **metal ring**, providing a crisp transition to a vibrant **semi-bent marbled acrylic mouthpiece** whose unique

color patterns enrich the overall creation.
