The Neerup **Classic Grade 3 (Gr 3)** pipe reflects the creative freedom and organic design principles of modern Danish pipemaking. Sculpted into a balanced **semi-bent free form** posture, it follows the natural briar grain to achieve a fluid, hand-carved silhouette. The bowl features a warm **smooth finish** that highlights the natural wood patterns. Highlighting the shank junction is a bright **metal accent ring**, providing a sleek transition to a vibrant **light marbled acrylic mouthpiece** whose luminous color

swirls add a touch of modern refinement.
