The Ser Jacopo **S2** grade pipe captures the creative flair and bold sculpting tradition of the famed Pesaro pipemaking school. Carved into an organic **bent free form** posture, it follows the natural contours and grain direction of the briar block for an ergonomic, sculptured profile. The bowl features a rich **brown sandblasted finish** that brings the natural ring grain into striking tactile relief while facilitating cool smoking properties. Completing this balanced artisan creation is a durable **bent black acrylic mouthpiece**.
