The Ser Jacopo **Pulchra Grade S1 C** pipe offers a masterly rendering of the traditional **Pot** shape, crafted in the signature bold style of the Pesaro school. Carved into a balanced **bent** posture, it features a wide, low-profile bowl with thick walls, enhanced by a deep **black sandblasted finish** that brings the natural ring grain into tactile relief. Highlighting the shank junction is an exquisite piece of silversmithing: a **worked sterling silver band** with fine detailed engravings, creating a bright visual contrast before

transitioning smoothly into a durable **bent black acrylic mouthpiece.**
