The Neerup pipe from the **Classic Gr. 2** series, crafted by Danish pipemaker Peder Jeppesen, showcases the fluid lines and creative flair characteristic of Scandinavian design. Shaped into a graceful **semi-bent** posture, it features a rich **sandblasted finish** that brings the natural ring grain of the briar into tactile relief. Highlighting the shank junction is a polished **metal band**, adding a bright, elegant contrast. Completing this artisan creation is an eye-catching **swirled acrylic mouthpiece**, whose unique marbled

patterns give the pipe a distinct personality.
