The Neerup pipe from the **Classic Gr. 2** series, crafted by Danish Peder Jeppesen, presents a refined rendering of the traditional **Pot** shape in a graceful **bent** posture. The pipe features a deep, fully **sandblasted finish** that extends smoothly across the top of the bowl (**sandblasted rim**), highlighting the rich tactile ring grain of the briar. Enhancing the shank junction is a polished **metal band**, creating a luminous accent point before transitioning into a **curved dark swirled acrylic mouthpiece**, whose subtle marbled hues

complete this sophisticated artisan creation.
