S.T. Dupont × Opéra de Paris | Limited Edition No. 045 “The Phantom of the Opera”

Ligne 1 Lighter – Premium Collection “The Angel of Music” (Emerald Green & Gold)

The Story: The Shadow and the Genius Beneath the Palais Garnier

In Paris, beneath the gilded splendour of the Palais Garnier, when the audience's murmurs fade and the curtain falls, a timeless legend comes to life. It is the story of **The Phantom of the Opera**, born from the pen of Gaston Leroux: a musical genius suspended between shadow and light, consumed by loneliness and an all-encompassing, tragic love for the young singer Christine.

S.T. Dupont captures this profound human tension, transforming its iconic creations into the very stage on which the story unfolds. Every detail evokes the opera's most celebrated symbols: from the enigmatic mask to Box No. 5, and from the romantic rose to its dramatic symbolism.

The Premium Collection: “The Angel of Music”

The Premium line explores the unbreakable bond between Christine and the Phantom, where music becomes both passion and power. This exclusive model is adorned with exquisite **deep green lacquer**, inspired by the legendary underground lake beneath the Palais Garnier, the Phantom's dark and fascinating sanctuary.
