The **Peder Jeppesen** pipe from the **Ida 4** line is a fine showcase of Danish artisan pipemaking, hand-carved by the master himself. Shaped into a fluid **bent** posture, it features a flawless **smooth finish** that highlights the rich natural flame grain and purity of the briar. Enhancing the shank junction is an elegant **acrylic band**, providing a bright visual accent before seamlessly integrating into a **curved dark swirled acrylic mouthpiece**, whose subtle marbled hues complete this sophisticated creation.
