The **L'Anatra dalle Uova d'Oro** pipe in the commanding **Sandblasted Giant** series is a magnificent artisan creation featuring impressive proportions. Carved into a dynamic **bent free form** posture, it shapes itself around the natural growth patterns and unique flow of choice briar blocks. The exterior surface is treated with a rich, deeply tactile **sandblasted finish** that exposes the intricate ring grain pattern of the wood in dramatic relief. Completing this remarkable collector's pipe is a **curved black**

acrylic mouthpiece, proudly featuring the iconic silver duckling inlay that marks every genuine L'Anatra creation.
