The **Valbruna** pipe from the **1 Medusa** collection presents a striking rendering of the classic **Apple** shape. Carved into a comfortable **bent** posture, it features a rich, dark **sandblasted finish** that exposes the intricate ring grain structure of the briar in bold relief. Highlighted at the shank junction is a generous **cumberland band** with distinctive red and black marbled swirls, providing an eye-catching visual transition into the sleek **curved black acrylic mouthpiece**.
