The **Pirocco** pipe in the **Nefertiti** model is defined by its tall, forward-slanted bowl architecture inspired by the iconic ancient Egyptian crown. Crafted in a clean **straight** posture, it features a highly polished **smooth** mahogany red stain that highlights the briar's natural grain pattern. Highlighted along the shank is a rounded **acrylic ring** in a soft ivory/light yellow tone, providing a vivid visual contrast before leading into a matching **straight cumberland mouthpiece** in marbled red and black.
