The **Radice** pipe from the **Rind** series presents the **Reverse Calabash** shape in a compact, well-balanced **chubby** format. Built on a clean **straight** posture featuring a wide shank hollowed out to house an internal expansion chamber that cools and dries the smoke, it showcases a deeply textured reddish-brown **rusticated** finish contrasted by a **smooth** natural rim. Accentuating the shank

is an **ornate silver band** with a braided relief pattern, leading seamlessly into a **straight black saddle acrylic mouthpiece** marked with the maker's signature twin dots.
