The **Neerup** pipe from the **Classic Gr. 4** series showcases Danish **freehand** artistry through fluid lines and organic asymmetry. Shaped in a sweeping **bent** posture featuring a contoured ovoid bowl, it displays a glossy **smooth** finish with a vivid orange-amber and black contrast stain that highlights dynamic grain and birdseye figuring across the briar. The shank, stamped on the underside with official maker hallmarks, is accented by a black collar paired with a turned, polished **brass band**, transitioning cleanly into a **bent**

black saddle acrylic mouthpiece.
