The **Dunhill** pipe from the renowned **Cumberland** line, reference **3112 Group 3**, presents the classic **chimney** shape with slender proportions and understated British elegance. Built on a **straight** posture featuring a tall cylindrical bowl topped with a smooth rim, it showcases a deep **sandblasted** finish in warm reddish-brown tones that accentuate the natural briar relief. The shank, stamped on its smooth underside with the official **Alfred Dunhill's The White Spot Cumberland Made in England** hallmarks, transitions

seamlessly into a **straight tapered cumberland mouthpiece** with matching reddish-brown brindling, detailed with the iconic **White Spot** on top and an aluminum **inner tube**.
