The **Valbruna** pipe from the **2 Jellyfish** series presents the **chubby** shape with **generous dimensions** and a sturdy, substantial presence. Built on a **straight** posture featuring a bold, thick-walled bowl, it pairs a deep black **sandblasted** finish that highlights the natural briar relief with a **bark top** upper rim where dark textured ridges reveal warm light briar tones underneath. On the underside of the shank, a smooth light-briar cartouche bears the official **Valbruna 2 Handmade in Italy** stampings alongside the smooth briar ring at the shank end. A glossy black **straight acrylic**

mouthpiece completes the pipe, accented on top with the inlaid silver brand emblem.
